ACTS 22:16 | MTC SUMMER 2021

We do not allow phones out for use during the day, and aren't responsible for lost or damaged phones. They need to be kept at home or it is the student's responsibility to keep track of them. When we see them being used when we have started an activity, we will ask them to be put away and probably give push-ups.

Students can ask permission to use the phone.

Some field trips (if we take any this year) we do allow phones out for picture taking. Adult Leaders will always have their phones if needed. You can save us as contacts below:

Thank you! We are looking forward to an awesome summer!

GENERAL SCHEDULE

This schedule is subject to change due to COVID-19, weather, field trip travel time, or guest speakers. Each Monday parents will receive an email on what activities are happening that week. If at any point the government shuts down camps, we will keep everyone updated.

This summer things look like they might be open! So we will do our best to take some big trips like we have prior to 2020. Each Monday we will try to nail down best we can where and what we will be doing.

If you ever feel uncomfortable in the summer with all this virus stuff, let us know, and if you decide to stop attending we will refund the last payment you made.

We ask that parents keep activities shared in the weekly emails a surprise in case anything changes our original plans, so we don't get as many grumbles from students when things change. 😊 We will be adding guardians' phone numbers to a text group to keep everyone updated on anything quickly.

VAN PICK -UP DETAILS

Welcome to the MTC Van!

We always reach our destinations and have a good time doing it!

Drivers are MTC Directors: Caitlin 765 620 9033 & Nathaniel 765 591 5999

How it works:

- Each week we will always assume your camper needs picked up and will be at your house Tuesdays/Wednesdays/Thursdays between **9am-10:30am**. After the first week you'll be able to know more exact in that hour we'll come.
- We will wait a bit and honk 3 different times. If no one comes out, we will try to call and adult, and then we move on.
- The cost is \$5/week per house, regardless of how many kids are at that stop. For example, a family with 3 campers that are getting picked up still cost just \$5/week. Your camper can give that to the driver Tuesdays.
- Sleeping is totally fine in the van. Sleep all you want. We will ask for phones to be put away.
- If your student isn't coming a certain day, please let Caitlin 765 620 9033 know ASAP. We will ALWAYS assume campers are coming, and ALWAYS stop by unless notified.

Text/Call Caitlin when campers are not coming asap
